

Tutorial Registration & Login Matchmaking for Visitors

In this Tutorial we'll show you how to sign up for our networking Service "Matchmaking" – where you can successfully make new contacts, set up meetings and interact virtually.

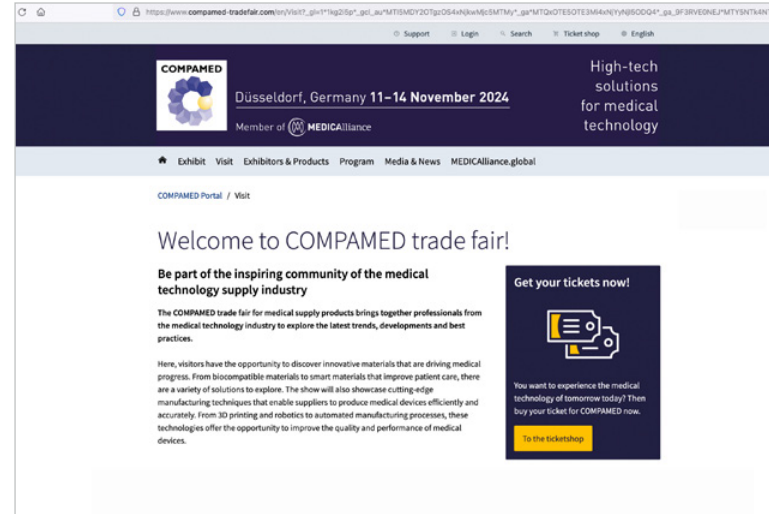

Tutorial Registration & Login Matchmaking for Visitors

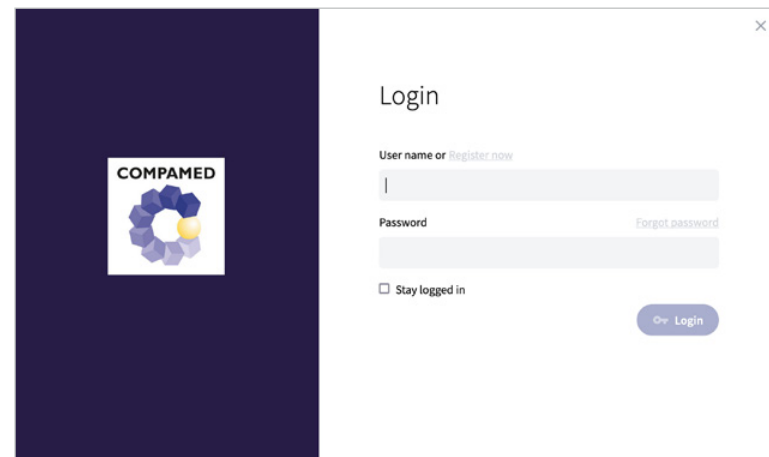

On **compamed-tradefair.com** you will find the link to matchmaking in the visitors' area.

You can also use the short link **compamed-tradefair.com/mmv** to go directly to matchmaking.

If you have already booked a ticket in the past, please login with your email address and password.

If new however, click, **“Login”** to open a new window and then **“Register Now”**.

Tutorial Registration & Login Matchmaking for Visitors

Enter your **E-Mail address**.

Registration

To purchase eTickets, catalogues and to redeem vouchers, each visitor has to register on his own. Only the name of the registered person will be written on the eTicket(s).

Note:
If you already have an account, enter your e-mail address and log in with your password. If you are not yet registered, enter your e-mail address for the new account and start the registration.

Email address

[Next](#)

Fill in all the **necessary fields**.

Enter personal details

Salutation (optional)

Title (optional)

First name

Last name

Email address

Password

The password fields must match

Password

Password Confirmation

Tutorial Registration & Login Matchmaking for Visitors

Make sure to **“Opt In”** and confirm that you wish to take part in Matchmaking.

Don't forget to answer all the questions. These help the Matchmaking AI select relevant contacts for you.

Click **“Register”** to complete this part of the process.

Matchmaking - Make valuable contacts

Become part of our matchmaking community and build your own business network. Receive personalized contact suggestions and book meetings - virtually and on site! The use of the matchmaking platform is subject to the [General Terms and Conditions of Messe Düsseldorf ticket shop](#) as well as the [provisions of the service description modular module online networking - VISITOR](#).
